You can spare your loved ones and next of kin the worry of trying to figure out what you would have liked for your funeral by making arrangements in advance.

This booklet will assist you and your loved ones in guiding the arrangements for your funeral, making sure that it honours your memories and your family's wishes. The understanding that your funeral is conducted according to your wishes would provide family a great deal of comfort.

Please keep in mind that after you pass away, your funeral wishes are not enforceable. As a result, it's crucial to communicate your wishes in advance to the individuals who matter. Ensure that they are aware of your preferences and the location of this booklet.

Please contribute as much as you are able to. Your funeral is a time for your loved ones to celebrate your life and express their grief. Please send us a copy of your wishes if you would like us to be appointed as your funeral director, we will keep them on file as well.

Should you wish to pre-pay for your funeral, we offer funeral plans. Please contact us for further information or to make an appointment.
